

11/23/11

#1

SN1/SN2 lab report — Due 10:30 AM 12/2/11

Data

| substrate | SN1? | SN2? | SN1 (theory) | SN2 (theory) |
|-----------|------|------|--------------|--------------|
| | | | | |

Discussion

For each substrate, give a one-sentence justification for why SN1 and/or SN2 should or should not occur.

Dehydration — Mon 7:30 AM 12/5/11
